Café du Parc

Located on the site of the original Killarney House, Café du Parc is bordered by the Grand Oak and Sycamore trees of the National Park on one side, and Killarney Town Centre on the other.

We take our inspiration from the cafés of Paris – the hustle and bustle, the energy and the buzz. In the morning, we open our doors as the smell of strong roasted coffee and fresh pastries fill the air.

Our outdoor terrace is “people-watching heaven”; the Jarvies ply their trade, locals and visitors go to and from the park and parishioners attend St. Mary’s Church of the Sloes.

As the day turns to evening and the candles are lit, things begin to slow down. Enjoy a glass of wine with a friend, sample our lovingly crafted cocktail list or choose from some of the finest and most carefully selected rums, whiskies and gins from around the world.

And as the nocturnal creatures venture out, soulful tunes gradually roll into funky beats and old school jams.

This is the heart of the action in Killarney.
